Experience

2001 - 2008

Designer
Freelance

Worked with educators to illustrators and developers with projects ranging from an interactive Facebook application to a country music singer's website.

Oct 2006 - Feb 2007

Interactive Designer
BKWLD
bkwld.com
Sacramento, CA

Part-time. Further progressed skills in Flash and After Effects while working in a team environment. Designed and animated interactive experiences for Disney, Man Raze, California Family Fitness, and The Game.

July - Sept 2006

Design Intern
jUXT Interactive
juxtinteractive.com
Newport Beach, CA

Full-time. Honed design skills on projects for leading world brands. Designed an interactive mini-site pitch for Boost Mobile and viral marketing pitch work for the Xbox game Gears of War.

2001 - 2005

Jr Designer
Blast Advanced Media
blastam.com
Auburn, CA

Part-time. Built a foundation of technical, design, and business skills by solving problems. Designed web, flash, and professional solutions for HP, California ISO, and Center for Hearing Health.
